

Welcome

ENVIRONMENT, HEALTH & SAFETY

TOWN HALL meeting

August 29th, 2017 // 1:30 PM // Neuroscience Research Building room 132

SAFETY CULTURE CHANGE & PROGRESS

BUT FIRST...

THE CDPH WILL VISIT UCLA THIS FALL

When: Early November

Breadth of Coverage: UCLA Campus and Health Systems' Medical Waste Generators

What will they look for: UCLA's Medical Waste Practices

How to Get Ready for the CDPH

- Monthly newsletters
- Inspection Prep Tools
 - Self-check tool
 - Informational Sheets
 - Tutorial Video
- Consultation Sessions (Available in October)
- Sign up for the CDPH Announcements

Get Involved

- Participate in CDPH prep and activities and win prizes
- Win a \$75 Gift Card to Amazon
 - Watch the “Medical Waste Essentials” video on WorkSafe
- Win a catered lunch for your lab
 - Sign up for a CDPH Consultation Session (1 ticket)
 - Complete your CDPH Inspection (1 ticket)

...BACK TO CHANGE & PROGRESS

Last Year's Message

Simplify Compliance

- Initial & Follow Up Training Online
- SOPs move to Banded, Adoptable Safety Templates
- Automate Compliance Items

Engage & Teach

- Learn From Near Misses
- Inspections Emphasize Risk Assessment
- Interactive Consultations – Review Actual Work
- Emphasize & Improve Lab Specific Training
- Positive Incentives for Lab Safety

Change & Progress

Simplify Compliance

- Initial & Follow Up Training Online
- SOPs move to Banded, Adoptable Safety Templates
- Automate Compliance Items

Courses Moved to Work Safe

- Lab Safety Fundamentals
- Blood Borne Pathogens

Scheduled for 2017

- Radiation Safety – Initial
- Radiation Safety – Refresher
- Medical Waste Management
- Imbedded Laser

Change & Progress

Simplify Compliance

- Initial & Follow Up Training Online
- SOPs move to Banded, Adoptable Safety Templates
- Automate Compliance Items

Biosafety

- Institutional Biosafety Plan
- Process based SOP Templates
- Protocol Integration

Chemical Safety

- Hazard Banded SOPs
- 2018 Roll Out

Change & Progress

Simplify Compliance

- Initial & Follow Up Training Online
- SOPs move to Banded, Adoptable Safety Templates
- **Automate Compliance Items**

Chemical Inventory System

- Working on internal tools
- System-wide tools in transition
- Web Based Research Safety Portal?
- More in 2018

Last Year's Message

Engage & Teach

- Learn From Near Misses
- Inspections Emphasize Risk Assessment
- Interactive Consultations – Review Actual Work
- Emphasize & Improve Lab Specific Training
- Positive Incentives for Lab Safety

Change & Progress

Engage & Teach

- **Learn From Near Misses**
- Inspections Emphasize Risk Assessment
- Interactive Consultations – Review Actual Work
- Emphasize & Improve Lab Specific Training
- Positive Incentives for Lab Safety

Near Miss Reporting

- Monthly Reporting?

Change & Progress

Engage & Teach

- Learn From Near Misses
- Inspections Emphasize Risk Assessment
- Interactive Consultations – Review Actual Work
- Emphasize & Improve Lab Specific Training
- Positive Incentives for Lab Safety

Inspection Changes

- Pilot Program
- What Works?

Change & Progress

Engage & Teach

- Learn From Near Misses
- Inspections Emphasize Risk Assessment
- Interactive Consultations – Review Actual Work
- **Emphasize & Improve Lab Specific Training**
- Positive Incentives for Lab Safety

The Brass Ring

- Mentor based & Peer to Peer
- What Works?

Change & Progress

Engage & Teach

- Learn From Near Misses
- Inspections Emphasize Risk Assessment
- Interactive Consultations – Review Actual Work
- Emphasize & Improve Lab Specific Training
- **Positive Incentives for Lab Safety**

Safety Forward

- Initiative Nominations
- Safety Theory Workshops
- Lab Engage

Change & Progress

Safety Forward

- Initiative Nominations
- Safety Theory Workshops
- Lab Engage

Change & Progress

Safety Forward

- Initiative Nominations
- Safety Theory Workshops
- Lab Engage

Second Quarter

- 113 Nominations
- 8 Awards

Third Quarter

- Nominations Close
September 15th

Awards

Michelle Castelletto
Leslie Claar
Eric Hayden
Ming Ke
Shawn Lockard
Sylvia Odesa
Stephen Sasaki
Wayne Suyehiro

Change & Progress

Safety Forward

- Initiative Nominations
- **Safety Theory Workshops**
- Lab Engage
 - 3 Sessions Each
 - ~75 Attendees
 - Session 1 – Accidents & Near Misses
 - Session 2 – Risk & Mitigation
 - Session 3- Hands On
 - Next dates: September 12, 14, 15
 - Priority Sign-ups open 8/30
 - Regular sign-ups open on 9/6

Change & Progress

Safety Forward

- Initiative Nominations
- Safety Theory Workshops
- **Lab Engage**

First Test Group

- Finishing First Quarter
 - Lab is Engaged
 - Changing the Status Quo

New Groups Launching

- ~10 By Year's End

Change & Progress

Lab Portal

Assist Labs:

- Moving In
- Moving Out
- Changing Spaces
